ORDER:

Section 36(2) of the Indian Electricity Act, 1910, empowers the Government to appoint duly qualified persons to be Electric Inspectors, who will exercise the powers and perform the functions of an Electric Inspector under the Act within such areas and subject to such restrictions as the Government may direct. Under section 55 of the Act the Government may, by general or special order, authorise the discharge of any of their functions under section 13, or section 18, or section 34, sub-section (2) or clause V sub clause (2), or clause XIII of the Schedule by an Electric Inspector. Notifications under these sections are issued appointing the Chief Operation Engineers, North and South, as Electric Inspectors and authorising them to discharge the functions of the Government every time there is a change of personnel. The Government now consider that it will be simpler to appoint the Chief Operation Engineers as Electric Inspectors ex-officio. The following notifications will be published in the Fort St. George Gazette:-

I

In exercise of the powers conferred by section 36(2) of the Indian Electricity Act, 1910 (Central Act IX of 1910), the Governor of Madras hereby appoints the Chief Operation Engineers, North and South, as ex-officio Electric Inspectors under the said Act to exercise the powers and perform the functions of such inspectors in the area of their respective jurisdictions in the State of Madras occupied by the electrical supply undertakings of the Government of Madras, except in relation to mines, oil fields and railways in such area.

II

In exercise of the powers conferred by section 55 of the Indian Electricity Act, 1910 (Central Act IX of 1910), the Governor of Madras hereby authorises the Chief Operation Engineers, North and South ex-officio Electric Inspectors to discharge the functions of the State Government under sections

p.t.o.

13(1)(b), 13(3), 18 and 34(2) of the said Act and clauses V(2) and XIII of the Schedule thereto.
